NOTE: Government programs look at each family's circumstance to determine eligibility.

Income and assets tests may be required to determine eligibility for publicly sponsored programs.

FPL means Federal Poverty Level. See explanation on reverse side of this matrix.

Guaranteed Coverage means you cannot be turned down due to your health conditions.

Programs and plan availability, eligibility requirements, costs, and coverages are subject to change.

Using this Health Care Options Matrix

Each state has a variety of health care coverage options. This Matrix is designed to help residents determine which option is best for them.

STEP 1 For applicants potentially eligible for public programs, check the chart below to determine his/her FPL percentage.

STEP 2 See reverse side of this Matrix brochure to determine options for which the applicant might qualify.

STEP 3 Make a list of the programs and insurance coverage options that may apply to the applicant and then use the contact information provided to access coverage or services.

Your Federal Poverty Level (FPL) (Based on monthly family income)

Note: There is no universal administrative definition of income that is valid for all programs that use the poverty guidelines. The office or organization that administers a particular program or activity is responsible for making decisions about the definition of income used by that program (to the extent that the definition is not already contained in legislation or regulation). To find out the specific definition of income used by a particular program or activity, you must consult the office or organization that administers that program.
